

Welland Gouldsmith School

Class – 3

Subject – History

Chapter –3

Topic - Let's Travel.

(SYNOPSIS)

- Modes of transport have changed with time.
- Walking was the only way to go from one place to another.
- Rafts were made and used to travel by water.
- Animals were used to carry goods and people.
- For travelling long distances people used to trains, aeroplanes or buses.
- Modes of transport can be divided into three types – land water and air.
- Means of transport that move on land are called land transport.
- Means of transport that fly in the air such as the aeroplane and the helicopter.
- Means of transport that sail on water are called water transport.
- Trains that run on special tracks is called Metro.
- Trams are used in Kolkata.
- Bullock – carts and Tractors are used in villages.
- Water transport is the cheapest and the oldest mode of transport.
- Passengerliner take people across Seas and oceans.
- Cargo ships carrying goods.
- A Port is a place where ships and anchors for passengers to get on and off, and goods to be loaded and unloaded.
- Air transport is the fastest means of transport.
- Aeroplanes are used to go from one City or country to another.
- Aeroplanes are used to send letters and goods.
- Helicopters carry few people and often used to take food and medicines to people in time of need.
- Use of petrol and diesel has made the air dirty.

1. Name Them:

- a) Name two means of transport used in villages.
- b) Name any three land transport.
- c) Name the transport that runs on special tracks.
- d) Name to transfer that ferry us across lakes and rivers.
- e) Name two means of transport, for going to other countries.
- f) Name two things which make the air dirty.

2. Unscramble the following:

- a) RTNAI–
- b) PHSI –
- c) EALPNORAE –
- d) RAGCO –
- e) RCA –

3. Solve the puzzle:

CLUES

a) I run on road.

--	--	--	--

b) I sail on water.

--	--	--	--	--

c) I run on special tracks.

--	--	--	--	--	--	--

d) I can travel under water.

--	--	--	--	--	--	--	--	--	--	--	--

e) I am mostly found in villages.

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

4. Answer the following questions:

- How did people travel before the wheel was invented?
- What are the modes of transport? Name the three modes of transport.
- Which transport is the cheapest and the oldest mode of transport.
- How are cargo ships different from passenger liner?
- What is a port?

5. Do ex. A & B of Pg. 21

5 a) Tick (✓) the correct answer.

5 b) Write the names of three fast-moving and three slow moving modes of transport.

6. Draw and Colour the three types of transports
