

Welland Gouldsmith School

History (Changes around us) – Class 3

Synopsis

- People, places and things change. Neighbourhood changes too.
- Some changes that take place in a neighbourhood are :
 - a) old neighbours leave and new neighbours come.
 - b) old bungalows may be pulled down and new houses may be built.
 - c) multistoreyed buildings with flats on one floor may come.
 - d) old shops may get closed. New shops may open.
- Some changes that take place in a school are :
 - a) number of students may increase.
 - b) new teachers may join the school. Old teachers may retire.
 - c) a new building may get constructed within the school campus
 - d) smart boards may be introduced.
- We must learn to adapt to changes. In our neighbourhood and school.
- In the neighbourhood : respect your elders, never disturb your neighbours, participate in cleanliness activities, learn about the place in and around your neighbourhood.
- In school : smile and greet everyone, be friendly , helpful and polite, make new friends, share our tiffin with those who sit next to you.
