Class -3

Subject -History

Chapter -4

Topic - Time and Calendar

WORK SHEET

-- **SYNOPSIS** --

Change happens over a period of time .we do things in an order or sequence .Time is a continuous sequence of events or actions taking place. Time moves from the past , through the present to the future. Past is what has happened day before today. Future is what happens tomorrow. Timeline is When we arrange the events and the dates or the years in which those events happened in the correct order we make a time line. Calendar , A calendar lists the days , weeks and months of a year.Days are grouped into weeks , weeks are grouped into months and months into a year. We use a calendar to plan our holidays .we can also mark important events such as :-

- A. Family events; like birthdays , weddings and anniversaries.
- B. School events ; like Annual day , Sports day , Homes birthday.
- C .National events; like Republic day, Teacher's day , Gandhi jayanti.
