QUESTION AND ANSWERS

- a) This story takes place in an ancient castle on top of a hill in the beautiful countryside of Germany.
- b) Smoky loved to appear in different disguises . Sometimes he would dress up as Batman or Superman, sometimes as Elvis Presley or Madonna the famous singers and he would be very happy with a mike in his hand dancing and strumming his guitar.
- c) A man and a woman visited the castle one day. They then walked around the castle slowly making notes and looking very serious. They said it was of no use, the castle was too old and its walls would fall down any day. And that they would have to forget about opening it to the public as a tourist destination.
- d) When the man and the woman found the treasure chest the women cried out and they opened the lid of the treasure chest and stared at it as the chest was filled with money. "This is great "the man said excitedly " we can now repair the castle with this money".
- e) Soon after they got the money, work started on the castle. Work men arrived in the castle to work and it took 6 months to restore the castle. It looked beautiful as it had been before. The day before the castle was to open to the public the Mayor of the town came to look around the castle.
