KG WORKSHEET

SUBJECT- ARITHMETIC   **TOPIC- COUNTING BACKWARDS 20-1**

RECAPITULATION:

- We already learnt that when we count numbers from smaller to bigger number we call it forward counting, as we count forward the next number is 1 more than the previous number.
- Today we learnt backward counting, we learnt as we count backward we take away one from each number, the next number becomes one less than the previous number.

Q1) Count backwards 20-1

T O	T O	T O	T O
2 0	1 0	___	___
1 9	9	___	___
1 8	8	___	___
1 7	7	___	___
1 6	6	___	___
1 5	5	___	___
1 4	4	___	___
1 3	3	___	___
1 2	2	___	___
1 1	1	___	___

Q2) a) Fill in the missing numbers counting forward 1-20

T	O
	1
__
	3
__
	5
__
__
	8
__
1	0

T	O
1	1
__
__
1	4
__
__
1	7
__
__
2	0

b) Fill in the missing numbers counting backward 20-1

T	O
2	0
__
__
1	7
__
__
1	4
__
__
__

T	O
1	0
__
	8
__
__
__
	4
__
__
	1

Q3 In your Maths exercise book write counting backwards 20-1
