POEM-THE BUTTERFLY

POET'S NAME-MARGARET ROSE

SYNOPSIS:-

The poetess Margaret very beautifully brings out the feelings of a butterfly which flies with all freedom in the flora kingdom. It signifies the beauty of summer season where the flowers bloom in summer. It enjoys the nectar from the honeycup. The poetess vividly describes the movement of the butterfly. It spreads its golden wings and plays among the flowers swinging up and down. This shows the happiness of the butterfly throughout the day and then it spreads its wings and flies away. This shows the superb creation of God. God places each creature in its unique way.
