

# **WELLAND GOULDSMITH SCHOOL**

## **CLASS 1 WORKSHEET**

**Subject: Science**

**Topic: Plants give us food**

### **RECAPITULATION :-**

- Plants give us fruits to eat.
- Fruits are of different shapes, sizes and colours.
- Fruits provide us with a lot of nutrients.
- Plants also give us vegetables.
- Green vegetables are good for our health.
- Some plants give us cereals such as rice, maize and wheat.
- Cereals provide us with energy to do work.
- Some plants give us pulses like dal, pea, gram etc.
- Pulses provide us with a lot of vitamins and minerals.
- We also get tea, coffee and sugar from plants.
