**V. Draw neat and labelled diagrams of the following:**

Compact Disc

Recycle Bin

**VI. Answer the following questions:**

a) A keyboard shortcut is a combination of keys pressed together from the keyboard to perform a task. Keyboard shortcuts make it easier for us to interact with the computer without using the mouse.

Example: CTRL + Esc is used to open the Start Menu.

b) The shortcut menu is a list of options that appears when we right-click on the desktop or file or on a folder. It provides quick access to some frequently-used options such as Cut, Copy, Paste, Open and so on.

c) Cloud is an online storage space for data. We can upload data on the cloud without using the computer memory. Cloud saves our data on the Internet and we can access it anytime. This type of the Internet service is called cloud computing.

d) USB flash drive and Compact Disc.

e) A Thesaurus is a dictionary of words with the same meanings (synonyms) and their opposites (antonyms). The Thesaurus option in Microsoft Word provides a list of synonyms and antonyms.
