WORKSHEET CHAPTER- FIVE LITTLE MONKEYS

This is a funny poem about five little monkeys who walked along the shore.

One of the monkeys decided to go sailing and left .So only four monkeys were left. These four monkeys climbed a tree, Very sadly one fell down and now only there were three monkeys left on the tree. These three monkeys found a pot of glue (gum).One of the monkeys got stuck in the pot of glue .So only two monkeys were left. These two monkeys found a currant bun and one of them took the bun and ran away. So only one monkey was left and what did this monkey do? He whined all afternoon. He was then put in an aeroplane and sent all the way to the moon.
