Magnifier Tool

IV. Answer the following questions:

- a) The Color Picker tool is used to copy a color from a drawing. The selected color is set as Color 1. It can be used to draw or fill in shapes.

- b) There are two types of selection to make changes in Paint. To select a square or rectangular part of the picture, we click on Rectangular selection. On the other hand, to select an irregular part of the picture, we click on the Free-form selection.

- c) The Magnifier tool helps us to enlarge a part of a picture. It shows us a larger view of the drawing.
