TOPIC- MIDAS AND THE GOLDEN TOUCH

SYNOPSIS-

In the king Midas and the Golden Touch, the king was very greedy. King Midas was granted one wish if he did something for a Greek God and he was given the golden touch. He went around turning stuff to gold: his chair, tables and silverware. King Midas then tries to eat, but his food turns to gold and this makes him mad. His daughter comes to visit and he touches her and turns her into gold. King Midas prays to God to turn her back to normal. The god tells Midas to put her into running water and he goes to the river.
