

# Welland Gouldsmith School

**Class – 3**

**Subject – Science**

**Topic – An ideal house**

**Chapter - 8**

**Answer Key**

---

**1. Fill in the blanks:**

- a) thieves, comfort
- b) cold, rain, wind, heat
- c) big, strong
- d) dry, free, germs
- e) sleeping, washing, cooking, eating, storage, studying
- f) double, wire
- g) open
- h) chimney, kitchen
- i) refresh, purify
- j) neat, clean

**2. Answers:**

- a) We need a house because it protects our belongings from thieves and gives us comfort. It also gives us shelter from cold, rain, wind and the heat of the sun.
- b) Our houses must have a drainage system to carry away dirty water from the kitchen and the bathroom.
- c) Garbage attracts germs carrying insects which can spread diseases, therefore we must keep our house and its surrounding clean.
- d) We should have a proper chimney in the kitchen to let the smoke out. This helps in keeping the house pollution – free.
- e) There should be a wall or fence all around the house to keep away the animals, who may spoil our garden.
