Answer 2

As Bertie ran to the window he saw a herd of Zebras  scattering away from the waterhole. The Zebras were chased by a couple of Hyenas. Then Bertie saw three more Hyenas staring at the waterhole and then he saw the lion cub covered in mud and waving a little paw at them in defence.

Bertie ran out in the open grassland ,yelling at the top of his voice to frighten the Hyenas away from the cub.

Answer 3

To keep the cub safe from the Hyenas Bertie picked up some pebbles to throw at the Hyenas .The Hyenas ran off

but not too far. Then Bertie was at the water hole standing between the lion cub and the Hyenas ,shouting and screaming ,waving his arms trying to chase them away.
