A) Zock had bright green scaly skin, he had two heads, nine tentacles and he spoke a different language.

B) Zock found it difficult to do roller skating because there weren't enough roller skates in his size.

C) Henry had to take away Zock from the dance floor because he kept tripping the other dancers with his tentacles and everyone kept falling on the dance floor.

D) Zock ate so much food because he was very hungry and he had an enormous appetite. Henry was upset because he found he did not have enough money to pay the bill.

E) When they could not pay the bill, they had to wash all the dishes but Zock washed all the dishes with his tentacles and dried them in just a few minutes. The manager was so happy with the good work he told them that they could have holiday jobs. They were going to be paid to have great holidays too. So, the story ended on a happy note.
