Radha was a milkmaid. She lived in a village called Bhavnagar. She sold milk to earn a living. One day, Radha was carrying a pot of milk on her head. She had to deliver the milk to her customers in a near by village named Holipura. Radha had a habit of day dreaming. She said to herself, 'I will sell the milk and get a lot of money. With the money, I will buy some eggs. The eggs will hatch into fine chickens. The chickens will grow into hens. I will name my hens Heena and Keena. Then I will sell Heena and Keena and get more money. With that money I will buy nice silk dresses. I will look beautiful. Then people will ask me the secret of my wealth. I will toss my head and say, "No, I don't want to tell you." While Radha dreamed of tossing her head, she actually tossed her head.
