

Class-4
Subject- History
Topic -A Good Citizen

Synopsis

Civics is the study of how a government works, the responsibilities of a government, the responsibilities of the people who live in a country, and the rights and duties of those people. A citizen is a person who is born in a country. A good neighbour is a good citizen. We should use public property as carefully as we use private property.

Do the following exercises in your history (single line) exercise book.
