| 10. Commanded. | 20. Perfumes. |

DICTATION

We get many types of spices from plants. Some of these are cardamom, cinnamon and pepper. Spices are dried seeds, fruits, roots or bark of some plants. They add flavour to our food and make it tasty.

The leaves or seeds of some plants are used for making drinks.

We eat the flowers of some plants.

We also eat the fruits of some plants.

We eat the seeds of many plants.
