Topic- Sleeping Beauty

Synopsis

There was a happy king and queen ,who was blessed with a daughter. The king invited all the fairies to bless his daughter which they did, then suddenly a wicked witch came who was angry because she was not invited and cursed the baby that a spindle would prick her hand on her 16th birthday andshe would fall asleep till her true love wakes her up. Everything that the witch said came true and The Princess slept for 60 years.

Then came a prince who was tall ,dark and handsome who tried to wake up the princess,he did many things to wake her up,but the princess continued sleeping. Finally the prince held her nose in his hands and pressed it really tight The Princess woke up with the start and when he asked her to marry him the angry princess chased him away,the prince learned that day that life is not a fairytale.
