

**Welland Gouldsmith School**

**Mathematics**

**Class5**

**Chapter \_Money**

**ANSWER KEY**

**QA) Choose the correct answer.**

**1) 205p**

**2)Rs 70.35p**

**3) Rs.10**

**QB ) What is the cost of:**

**1) 10 pencil cost =Rs 30**

**Therefore 1 pencil cost =  $\text{Rs}30 \div 10 = \text{Rs } 3.00$**

**Ans. Cost of 1 pencil is Rs 3.**

**2) 1 balloon cost = Rs 12.50**

**Therefore 5 balloons cost =  $12.50 \times 5 = \text{Rs}62.50\text{p}$**

**Ans 5 balloons cost Rs 62.50**

**3) 3 Ice cream cost= Rs 99.90**

**Therefore 1 ice cream cost= $\text{Rs } 99.90 \div 3$**

**= Rs 33.30p**

**Ans An ice cream cost Rs 33.30p**

**QC) Unitary method.**

**1) 3 sharpener cost = Rs. 12**

**Therefore cost of 1 sharpener=  $\text{Rs } 12 \div 3$**

**= Rs 4**

**Ans. cost of 1 sharpener is Rs 4**

**2) For Rs 40 notebook bought = 8**

**For Re 1 note book bought =  $8 \div 40 = 0.2$**

**For Rs 20 note book bought =  $20 \times 0.2 = 4$**

**Ans : 4 note book bought for Rs 20.**

**QD) 5 litre milk cost =Rs 150**

**Therefore 1 litre milk cost =  $\text{Rs } 150 \div 5 = \text{Rs } 30$**

**Ans: cost of 1 litre milk is Rs 30.**

**2) 12 erasers cost Rs = 36**

**Therefore 1 eraser cost =  $\text{Rs } 36 \div 12 = \text{Rs } 3$**

**Ans : Cost of 1 eraser is Rs 3.**

**QE ) solve :**

**1) 7 books cost = Rs 910**

**1 book cost =  $\text{Rs } 910 \div 7$**

**= Rs 130**

**Therefore 8 books cost =  $\text{Rs } 130 \times 8 = \text{Rs } 1040$**

**Ans 8 books cost Rs 1040**

**2) 10 pencil cost = Rs 26**

**1 pencil cost. =  $\text{Rs } 26 \div 10$**

**= Rs 2.60**

**Therefore 4 pencil cost =  $\text{Rs } 4 \times 2.60 = \text{Rs } 10.40\text{p}$**

**Ans : Cost of 4 pencil is Rs 10.40p**
