English Language Worksheet

Paragraph

A paragraph is a series of sentences written to express a single idea. It is generally a part of a long piece of writing like an essay, a story, a novel, a chapter in a book or an article in a newspaper. A paragraph consists of a number of sentences dealing with one topic. The sentences are arranged in a certain order.

A paragraph may describe a person, a place, or an object. It may narrate an incident. It may express an idea or a feeling.

To write a good paragraph, you should include three main elements.

1. A topic sentence
2. Supporting sentences
3. Concluding sentence

Comprehension

Comprehension is the ability to understand something. It is an exercise of a previously unseen passage of text or a poetry with related questions, designed to test a student's understanding.
