through covid.19.

Geography Project for class 10

Topic– Transport in India– development of road, railway, waterway and air routes.

Maths CLASS 10

Assignment:–

Write and learn the value of 1) square of first 30 natural no.s

2) cube of first 20 natural no.s

3) square root of first 20 natural no.s

1st Maths Project for class 10*

Uses of Trigonometry

Applications on Trigonometry

3 Sums based on the applications on Trigonometry (_find_ _height_ , _find_ _distances, find angle of elevation_)

Physics –Class10 Project.1)All the numericals from the following chapters:Force,Work Energy and Power,Machines,Refraction of light at plane surfaces,Refraction of light through a lens,Spectrum,Sound,CurrentElectricity and Calorimetry.2)4 tests of 5 marks each for each rehearsal examination.3)Lab manual with 10 experiments done for the ICSE examination.

Class 10 BIOLOGY

Projects to be done in laboratory manual as and when received. In the mean time the following chapters are to be studied from Concise Biology

- 1.Pollution**
- 2.Population**
- 3.Nervous System**
- 4.Endocrine System**

Eco study

Project 1.

Consumer Awareness with special focus on:–

- 1) Consumer exploitation and meaning of Consumer Awareness.**
- 2) Consumer Rights and Duties.**

Project 2

Division of Labour...with special reference to the following:–

- 1)Meaning of Division of Labour**

Commercial Applications

Class 10

Banking / Advertising100marks

Practical

Chemistry

Complete this assignment using only a laboratory manual.

Each of the following topics will have to be completed under the following 3 section-headings:

Experiment → Observation → Inference

Topic 1

Negative ion identification

- **Carbonate**
- **Sulphite**
- **Sulphide**
- **Sulphate**
- **Chloride**
- **Nitrate**

Topic 2

Positive ion identification

- **Lead**
- **Copper**
- **Zinc**
- **Calcium**
- **Ferrous**
- **Ferric**

Song for this Project

•

Topic 3

Differences between Acidic & Alkaline solutions

Topic 4

Difference between Copper Oxide & Manganese Dioxide

(by addition of concentrated Hydrochloric Acid only)

Additionally, solve the ICSE question papers from the last 10 years
