WORKSHEET

SYNOPSIS:

- This poem- " Footprints in the Sand ", tells us that we should have strong faith on our creator (God).
- God has planned everything for us. We need not worry at all.
- Our life is designed by Him.
- If we are in trouble - we should know that one strong power is there - who will save us from all worries and anxieties.
- God will never desert us at any point of time. He will never leave us alone.
- Whenever we are dejected and think- no one is there to help me and we question God.
